COMING GLORY

Homegrown Theologian
Lacey Rabalais

Hello!

I'm so glad that you've downloaded this Advent guide. It's pretty simple. Each day there's a reading, yes a whole chapter - a few times there's 2 chapters. You can do it! There's a page included with questions and you can print that as many times as you'd like or just meditate on the questions and answers after you read.

The story of Jesus starts before the beginning of time. Though Advent is about remembering and celebrating his first coming, we should start from the beginning of the story. In this reading plan, we will start at Genesis 1 and we will end at Revelation 22.

Praying that this plan allows you to see God's glory in this season.

Merry Christmas
